

VANISHED CITY

Nothing Left of the Carnival Except Pleasant Memories.

GONE LIKE A DREAM.

The Midway Attractions Were Taken to Owensboro Yesterday Morning and the Others Taken Away This Morning.

IT WAS A FINANCIAL SUCCESS.

The carnival grounds are very different today from what they were this time last week. The booths were all stripped this morning and by noon there was nothing left in them. The board fences were rapidly torn away and the lumber sold and hauled away, and the streets again opened to the public. The claim gang will give them a thorough cleaning and there will be little evidence left of the week of merriment just passed.

The executive committee of the Elks has been on duty ever since the carnival closed and took good care that all the booths were well protected. Yesterday morning at 8 o'clock all the midway attractions left in fourteen special cars for Owensboro. Mr. Cassell said before he left that Paducah was the last city he was ever in, and he returned the best natured. He hopes to return next year.

It is impossible to determine just how successful financially the carnival was, but the executive committee of the Elks say that the lodge will make above all expenses between \$5,000 and \$6,000, which is better than they expected. By Thursday it is thought that everything will be in, and the exact amount ascertained.

The number that drew the men raffled off by the Ladies' Auxiliary was 529, but no one has yet produced it, and if at the end of three days it is not brought up, another number will be drawn. Many people doubtless lost or threw away their numbers, and it may be that no one has the lucky number. The ladies did a good business at their booth.

Most of the visitors have returned home, and the estimate of the total number who were here varies, but is away up into the thousands, and tens of thousands. The total number of paid admissions was 12,000 numbers, \$25,000 at the main entrance and \$8,000 at the midway. Many had passed at the main entrance who had to pay at the gates of the midway, hence the disparity in the number of paid admissions.

Mr. Young Taylor won the elegant bottle given away by Michael Brothers to the one guessing nearest the number of beans in a bottle. He guessed 1920 and there were 1918. He will raffie it off for the benefit of the Home of the Friendless.

An amusing conversation was overheard on Broadway Saturday. Two darkies who had been looking about at the decorations stopped in front of a window.

"What do dem lettings stan' fo'?" asked one.

"Dem lettings H. P. O. E.?" asked the other.

"Yas, dem lettings what ebah dey an'."

"Why niggah," was the reply "they stan' fo' 'de po.' dey means when you go froo wile everything you'll be po' as Job's toshie, dat's what dey means."

JOHN L. JONES

WELL KNOWN PADUCAH FURNITURE DEALER KILLS A MAN.

In the telegraphic dispatches will be found the account of the killing of Tom Keane at Evansville this morning by John L. Jones. Mr. Jones is the well known furniture dealer at Third and Court streets, whose main home is in Evansville and is well known in Paducah. He spends a great deal of his time here and while his employees had heard nothing of the trouble, they are certain that he is the same man mentioned in the dispatches, as he had a bookkeeper by the name of Keane, whose husband was killed.

ENCOURAGING MEETING.

Y. M. C. A. WORK BECOMING VERY POPULAR IN PHOENIX-TON, KY.

The first "Young Men's" meeting was held at Princeton yesterday and it was a success in every way. In the afternoon the meeting was conducted by Mr. John Lake, who has charge of the county work of this state, and the subject of his speech was "Let It Go." The afternoon meeting was for men only and the attendance was about sixty. At the evening meeting the attendance was about 100 and was composed of both sexes. Secretary Escott and Mr. Lake both spoke at the evening meeting. Mr. Escott speaking on "Fourfold Work of the Y. M. C. A." and Mr. Lake closing the meeting with a short talk on the work in the counties. The meeting was a success that was not expected and the promoters are very much pleased over the outlook.

The next meeting will probably be held at Murray but the date has not yet been arranged.

Prof. H. Clay Smith and Secretary Escott attended from Paducah. They returned at 5 o'clock this morning.

TO ENTER ANNAPOLIS

MR. OVERTON BROOKS PASSES THE MENTAL EXAMINATION.

He Will Be the First Paducah Young Man to Enter the Naval School.

The first young man from Paducah to enter the naval academy at Annapolis will probably be Mr. Overton Brooks, son of Dr. J. G. Brooks, who has just passed the mental examination required before admittance to the academy. The examination was Friday, and Mr. Brooks passed it successfully, which is a credit to him and would be to any other young man owing to its being so comprehensive and rigid. A telegram was received from him by his father last evening announcing his success and today he will be subjected to a physical examination, which he will doubtless pass as well as he did the others, as he was assistant instructor in the Y. M. C. A. gymnasium here, and was one of the best athletes in Paducah. His many friends here will be pleased to learn of his deserving success, and to wish him a brilliant career as one of Uncle Sam's cadets. Mr. Brooks has studied hard for the place, and had been in a preparatory school for some time.

That he will do credit to himself and his town goes without saying.

GHASTLY FIND.

MUTILATED CORPSE PICKED UP NEAR CUMBERLAND CITY, TENN.

Passengers in on the Cumberland river boats this morning report a ghastly find near Cumberland City. The dismembered body of a man was found where it had been washed up on the river bank, by a man named J. F. Bell.

The remains were those of a white man, and had been horribly mutilated. Both arms, his head and one leg had been cut off close to the trunk and the other leg close to the knee. The rib of an umbrella had been driven up into the abdomen and left there. There was nothing by which the horrible looking corpse could be identified, or the manner of death disclosed. It was buried on the bank.

THE CLERKS' MEETING.

The regular meeting of the retail clerks' union will be held tonight, but as it is pay day night and all the stores will be open, it is more than probable that there will be no initiations. The union is rapidly increasing in numbers and importance.

YESTERDAY'S BASEBALL.

The Marhle Hall baseball club defeated the L. A. L. club, in a match game at Rowlandtown yesterday afternoon, by a score of 14 to 9. The game was full of good playing all the way through, and both sides did good work.

REVIVAL SERVICES.

Rev. E. B. Ramsey, of Paris, Tenn., will preach the opening sermon to night at the Broadway Methodist church at 7:45. The public are cordially invited to be present.

LEFT THE SHOW.

Mr. J. H. Jones, formerly a nurse at the city hospital, who left with Buckskin Bill, returned home yesterday. He left the show at Vincennes, Ind.

PETITION IN BANKRUPTCY.

Henry Barnett Duncan, of Marshall county, filed a petition in bankruptcy this morning, giving liabilities to the amount of \$2,500.00.

MAYOR LANG

He Is Today Participating In the Exposition Opening.

WAS SPECIALLY INVITED

His Trip to New England Has Been Marked By Many Pleasant Experiences—Also a Few Unpleasant Ones.

IS EXPECTED HOME ABOUT WEDNESDAY

Mayor James M. Lang is in Buffalo, N. Y., today participating by special invitation of the Pan-American exposition committee in the formal opening of the exposition. He was invited when he went through, to return and take part, and accepted the invitation.

A letter received from him this morning by Mayor Pro Tem G. R. Davis, indicates that he will not return home until Wednesday or later. He has no doubt been having a good time.

He left Paducah last Monday night and at Louisville inspected the aerial ladder and truck there and was much pleased with them. They can easily be handled by two men, but of course with three or four much more can be done with them.

The mayor was unfortunate in missing every train he attempted to make connection with, and in many instances had to wait unpleasant journeys. He went from New York to Providence by steamer, going 184 miles for fifty cents. This reduction was on account of a rate war on between the steamers, and riding is so cheap that the mayor has been seriously considering the advisability of remaining and availing himself of the rates as long as they last. He has visited Albany, where he witnessed the riot between troops and strikers, and took a trip up the Hudson river. At Albany he could not get a train quick enough to take him far out of reach of threatened danger.

At Providence he was shown every courtesy by the fire apparatus managers, and was greatly pleased with the aerial ladder and truck he went to look at. The truck for the South Side station is a little beauty, and will soon be finished.

The journey up the Hudson river was one of the most pleasant features of the trip. Everywhere the mayor has been shown gratifying attention, and has nothing to complain of except the misfortune of getting left at nearly every place he had to change cars.

Today he returned to Buffalo on his way home, and is doing the big exposition. He will then proceed home, and possibly get back Wednesday.

Tonight's council meeting will be presided over by Mayor Pro Tem Davis, and the meeting will doubtless be a short one, as there is not much business to come up.

PAINFUL INJURIES.

POSTMAN JOHN BAYNHAM FELL FROM A TRAIN BETWEEN HICKORY AND MAYFIELD.

Mr. John Baynham, the well known mail carrier, fell from train No. 121 yesterday afternoon, about 5 o'clock, between Hickory and Mayfield, and was painfully injured. He was found by the track in an unconscious condition at 4:30 and was taken to Mayfield, his original destination. His clothes were torn from his head to his knees and his side and face badly skinned up, and bruised considerably. Mr. Baynham has been a sufferer from rheumatism for the past two weeks and had just recovered sufficiently to be out. He started for Mayfield, his former home, yesterday, and intended to stay out for a short visit.

Mr. Baynham arrived in the city early this morning and is not injured except on the left ear, which is badly cut, and a few scratches and bruises on his body. He said that arrangements had been made to stop and let him off the train at a certain point and as they did not stop he attempted to jump off. He narrowly escaped serious injuries.

NINE WRECKED.

A BROKEN FLANGE CAUSES A DERAILMENT AT STILES.

All the Cars and Contents a Total Loss With One Exception.

The second section of freight train No. 335, in charge of Conductor Henry Harris, was wrecked at Stiles, a station four miles out of Paducah on the Louisville division of the I. O., yesterday morning at about 9:40 o'clock. A broken flange caused the accident.

Nine cars were derailed and only one of the nine was saved. Three tanks of oil were lashed and the oil spilled and one car of coke, two of tobacco, and two of bran were a total wreck and the contents were scattered in all directions.

The train was due into this city at 9:15 but was running thirty minutes late. No delay to the passenger trains was occasioned and the wrecking train soon had the track cleared. No one was injured in the accident.

Messrs. Harry Bryant and Jessie Baird were sent out to check and transfer the freight and most of the work was done yesterday but the remainder completed today. The track was torn up the whole length of the train.

BOTH HAD PISTOLS.

James Riekey, colored, of Illinois, had a pistol concealed on his person when arrested by Special Officer Whitehurst Saturday. He pleaded guilty in the police court this morning.

"What were you doing with the pistol?" inquired the court.

"I jes' left home a little early, judge," he replied, "an' told hit wif me!"

"Yes, but you'll get home a little late," commented the court as he entered judgment for \$25 and ten days in jail.

Tom Wallen, of Cartersville, Ill., a white man, also had a pistol. He came in on the excursion, and expecting to find everybody in Kentucky armed with a pistol he brought one too. He was given the lowest penalty, \$25 and ten days.

HACKMAN PARTIALLY TRIED.

Charles Evans, a colored hackman employed by J. W. Willett, was presented in the police court this morning on a charge of fast driving. He ran against Mr. Billy Lee, the bartender, at Fourth and Broadway, Saturday night and Mr. Lee is not yet able to get out. Officers Nance and Rogers testified that he was driving as fast as the horses could go. The case was left open. Evans expects to prove by Mr. Lee himself that no one was to blame for the accident.

VICTIM UNABLE TO ATTEND.

The case against Crato Eas, charged with striking a boy named John Omelett in the head with a brick, was continued until next Monday. Omelett is badly hurt, and unable to get out. Attorney Johnson Houser, of Florence Station, is employed to defend.

MINOR CASES.

In the breach of the peace case against W. H. Kirby and J. W. Willett, the livermen, Mr. Willett was fined \$5 and costs and Mr. Kirby was dismissed. The gentlemen, who are members of rival concerns, had a difficulty in front of the Palmer Friday. There was no damage except a mutual pulling of whiskers.

Frank Vinson was fined \$1 and costs for being drunk and disorderly.

WAIVED EXAMINATION.

The case against "General" Brooks, colored, who shot "Hann" Cannon on Washington street three weeks ago, was called in the police court this morning and the defendant waived examination, being held to answer. Cannon, who has been in the hospital, waiting for a serious wound, and one that would have killed most people, to heal, was able to attend court. In default of a three hundred dollar bond he went back to jail.

AUGUSTA LIGON TRIED.

Augusta Ligon, colored, was tried this morning for obtaining money by false pretenses by selling a clock that had been stolen from Druggist Sam Winstead. The case was left open until tomorrow morning.

POTTER WINS.

NOMINATION FOR COUNCIL GOES TO HIM.

The democratic city committee met this afternoon at the city hall and canvassed the remainder of the vote cast at the recent primary. They gave the nomination for councilman in the first ward to Mr. Joe Potter, the result being Potter 67 and Durrett 612. It was thought when the committee met last week that Mr. Durrett would get it by five votes. A mistake was "discovered" today that gave Mr. Potter 67 at Friant's instead of 57, as first reported, and he won by 15 majority.

SPEND THE SUMMER IN THE MOUNTAINS.
If there is one region more favored than another, or more suited for the health and pleasure seeker during the summer months, it is among the Cumberland and Lookout mountains of Tennessee. In these mountains, along the lines of the Nashville, Chattanooga and St. Louis railway, are to be found many health and pleasure resorts, such as Monteagle, Lookout Mountain, East Bend Springs, Hot Springs, Beersheba Springs and many others, all offering attractions mostly contributed by nature.
The pleasing topography, shady nooks, green grass and splendid waters of Middle Tennessee in the highlands and mountains insure to the visitor and to those seeking rest and recuperation the very best advantages. This region is within easy reach of Western Kentucky, West Tennessee and the great Mississippi river bottom.
The facilities for reaching these resorts are the very best that can be afforded, consisting of convenient schedules, fast trains, sleeping car accommodations and everything that can conduce to the comfort and pleasure of the passenger.
Think seriously of spending the summer of one of these resorts, and write to R. C. Cowan, city passenger and ticket agent, Memphis, Tenn., or to W. L. Danley, general passenger agent, Nashville, Tenn., for descriptive literature.

COLDS
The quickest relief, for a cold, is by Scott's emulsion of cod-liver oil.
We all have colds, you can try it and see. You will find the edge taken off in a night; and, in three or four days, you'll be wondering whether that cold amounted to anything anyhow.
That's relief. If you tackle it quick, the relief is quick and complete, if you wait till the cold is in full possession of head and lung, why, of course, the relief is quick if it comes in a week.
A little emulsion won't clear and restore your whole breathing-machine in a minute; don't be looking for miracles.
Will you give a little to try, if you like.

In the first place, there are listed more than 200 events, which will give accommodation to 30,000 people; there are 100 boarding and rooming houses, affording accommodation for 18,500, while 7,000 owners of homes, most of whom never before have had their late-living for a consideration, have aligned their intention of opening their homes for the accommodation of visitors to Buffalo this summer. These 7,000 homes will accommodate at least 100,000 visitors.

The Exposition Company has arranged to furnish tent accommodation on the Exposition grounds for 250 unfurnished tents. There are also two companies arranging tent systems which will afford additional accommodation outside of the grounds for 1,500 or so.

In addition to all this, there are a large number of buildings throughout the city now being remodeled and converted into hotels, the plans of which are not far enough along to afford an accurate description or to estimate accommodation at the present time. It is safe to estimate the present capacity of the city of Buffalo to accommodate 150,000 strangers. To this may be added accommodations for at least 50,000 in the surrounding towns, such as Tonawanda, La Salle, Niagara Falls, Lockport, Williamsville, Tonawanda, Depew and Lancaster, all within a short trolley ride of the city.

Hotels in Buffalo range from \$1 per day upward. A ridiculous stories have been circulated in regard to exorbitant hotel rates. It is well to note the rates that have been established at the hotels, the most expensive hotel in the city. There are, for one, in a room without bath, \$5 and upward; for two in a room without bath, \$5 and upward, thus making the minimum rate \$2.50 per individual. The rate for a room with bath for one person is \$4 per day for two in a room \$7.50. This is on the European plan. Of course there are rooms and suites of rooms in this hotel for much higher rates for those who wish to pay them, but the prices here given are the highest in the city for hotel accommodations.

The National Orange and New York State Committee of the Grangers have arranged to entertain 300,000 Grangers during the Exposition. Tickets estimating Grangers to the use of the Grange building and securing accommodations in the city are being supplied to all Granges in the United States and Canada.

MILITARY CAMPS.

Accommodations for the Soldier Boys at the Pan-American Exposition.

Many military organizations intend to visit the Pan-American Exposition during the summer. Arrangements have been made to provide first class accommodations for them.
The Exposition will maintain a permanent camp within the grounds for the accommodation of about 200 men at one time.

This camp will be supplied with tents, floors, cots, blankets, blankets, pots, cups, light, water and sinks, for the use of which no charge will be made. It will be necessary for visiting organizations to furnish their own blankets and subsistence.

There will be no accommodation for cooking in this camp, but the visitors will not doubt be able to make satisfactory arrangements with restaurants on the grounds at reasonable rates.

It is expected that organizations taking advantage of these camp privileges will at such time as may be agreed upon beforehand, give military exhibitions without charge in the Stadium.

Bands in uniform will be admitted to the grounds free. Organizations using this camp will pay no general admission per man when they enter the grounds and must be governed by the rules and regulations laid down by the Exposition Company.

On account of the large number of organizations now applying for camp facilities at the Exposition the use of this camp will be limited to a period not exceeding five days for any one organization.

Large bodies of troops visiting the Exposition must be quartered outside the grounds, where a large camp for this purpose has been established.
Major Charles J. Wolf is in charge of the Military Bureau, and he is kept very busy these days furnishing information to organizations intending to visit the Exposition.

The Little Bee is very busy at the Pan-American Exposition, gathering and storing honey in glass hives in full view of visitors.

A searchlight on the Electric Tower of the Pan-American Exposition casts rays for a distance of 50 miles.

ACCIDENTAL DEATH.

THIS IS THE VERDICT IN THE BURRLE JENKINS CASE.

Coroner Geo. Phelps this morning at Rance's undertaking establishment held the inquest inquiring into the death of Flagman Burrle Jenkins, who was killed at Haley Saturday morning. The witnesses could not be found yesterday morning, hence the inquest had to be postponed until today.

The verdict of the jury was that he came to his death by accident.

Coroner Phelps says that the proper place for the inquest to have been held was where the death occurred. It seems that the body was picked up and brought here by the railroad company without notifying the coroner of Hopkins county, who should have held the inquest.

NEW STAMPS.

THERE ARE FEW CALLS FOR THEM AT THE LOCAL POSTOFFICE.

The supply of Pan American souvenir postage stamps on sale at the post office here has not yet been exhausted, and there are few calls for them. As they are not given out unless called for, and few people seem to know that they are to be had, it is uncertain when they will attain any degree of popularity. The stamps, however, are extremely artistic, and a set of them is well worth having as souvenirs.

The one-cent stamp is a green ground handsomely engraved, with a lake steamer in the center; the two-cent stamp is red, with the picture of a fast express train in black; the four-cent stamp is light brown with the picture of an automobile; the five-cent stamp is blue with a picture of a suspension bridge at Niagara; the eight-cent stamp is dark brown, showing the picture of a canal with canal boats, and the ten-cent stamp is a terra cotta, with the picture of an ocean liner. The collection is a very pretty one, furnishing as it does representations of various modes of travel.

The borders take on the colors of the regular series of the same denomination now in use. The words "commemorative series, 1901" and "United States of America" next below appear above the vignette; the legend in a line next below, the central opening, with the denomination "one cent" at the bottom appears in the same order on all stamps of the series. All the lettering is in white Roman capitals. All the central illustrations are from photographs.
